Junior Class History

At the end of our third year in this chool we students have begun to see the end of our high school career.

The added responsibilities this year are more interesting than our two previous years. The Junior Play and The Junior-Senior Banquet, has added to our memories of our Junior year.

When we entered Granite Falls High School in a body of eighty-five students, we were under the leadership of Jean Winkler, President; Iris Ann Gilbert, Vice-President; Gene Abernethy, Secretary-Treasurer. In our second year we were under the leadership of Gene Abernethy, President; Odell Winkler, Vice-President; Jeanette Kirby, Secretary-Treasurer. This year with sixty members we are under the leadership of Gene Abernethy, President; Jerry Coffey, Vice-President; and Dolly Sue Benfield, Secretary-Treasurer.

Sophomore Class History

We are now rated as upperclassmen. The Freshmen look up to us, the Seniors speak, it's nice. We take part in more of the activities, and some have even made the first string in basketball and football.

When we entered Granite Falls High School in a body of about one hundred and ten students we chose Tommy Watts, as our President; Shirley Marsh, Vice-President; and Joanne Setzer, as Secretary-Treasurer. This year our class of about ninety students is under the leadership of Tommy Watts, President; Joe Kirby, Vice-President; John McClain, Secretary-Treasurer.

We feel that we have reasons of ar to be extremely proud of our class, and watch our smoke in the future.

A new Department of Vocational Agriculture was added to the school this year, with Mr. W. H. Corpening, as teacher. It will require almost one entire school year to introduce and consolidate the department with the entire school program. A new Vocational Building is now completed and the Agricultural Shop will occupy one half of this building.
